Dear BA Year 3 Students (Direct Admissions Scheme),

Faculty Orientation Activities -2020-21

Congratulations on achieving your place in Arts – one of the three founding faculties of the University. As a new member of the Faculty, you may already have started planning your studies for the next two years. Year 3 students can revise their courses from September 1 to 15, 2020. Please visit the BA website below which contains all of the information you will need before the commencement of your studies, including guidelines on course selection, arrangements on academic advising, and requirements of the BA curriculum and of your prescribed major and intending minor:

http://arts.hku.hk/current-students/undergraduate/BA

The University has prepared the First Year Experience website which is a quick one-stop information hub where you can find the essential topics for new students to understand more about learning at HKU and the HKU community. CEDARS’ Student Life and Resources website is also useful for all students with information on campus life and student support services.

I am also writing to invite you to join us for the orientation activities as attached in the Appendices. There will be a Faculty session during the University Induction Talk on Zoom on August 24, 2020, which will give you an overview of your HKU experience, including important academic matters and tips on academic planning in Arts. It will also be a nice opportunity to chat with the School/Centre/Programme representatives and Student Academic Advisers on academic matters and different aspects of university life.

I look forward to welcoming you to the Faculty in the coming weeks!

Yours sincerely,

(Ms) Nicole Wong
Administrative Assistant
Faculty of Arts
