Assessment Results of the First Semester of 2025-26

Please note the overall assessment results of the First Semester of 2025-26 will be released online to individual students through the Student Information System (SIS) on January 19, 2026.

2. While General Regulation G9(h) stipulates that “There shall be no appeal against the results of examinations and all other forms of assessment.”, students may however request checking of the assessment result of any course if they have reason to believe that there is any procedural irregularity or technical error in the determination of that result. Please refer to the “Procedures for Checking of Assessment Results of Taught Courses” (document 111/511 re-amended) via <https://arts.hku.hk/current-students/undergraduate/assessment> for details and procedures. Applications for checking assessment results of the First Semester of 2025-26 should be submitted, along with all required information, to the Faculty Office by no later than January 26, 2026.
