HUMANITIES AND DIGITAL TECHNOLOGIES – A DIGITAL CITIZEN'S ARTS TECH JOURNEY

Dr. Christophe Coupe & Dr. Javier Cha & Dr. Kal Ng
The University of Hong Kong
Summer Institute in the Arts & Humanities 2023

Date: July 24-28, 2023 (Mon-Fri)
Time: 2:00-5:00pm
Venue: CPD-3.41, Centennial Campus, HKU

Course Description

The programme aims to introduce high school students to the intersections of humanities and digital technologies. It aims to cultivate students' interest in these emerging fields and inspire them to consider related majors and careers in the future.

Students will have the opportunity to experience studying at HKU, engage in interactive workshops and seminars, and exchange ideas with peers. The course covers a range of digital humanities topics spanning storytelling, art history, data analysis, virtual reality, and new media.

Course Outline
Day 1: Studying story creation with ChatGPT
Day 2: Discovering the history of painting with generative AI
Day 3: Distant Viewing: How to Study Visual Cultures at Scale
Day 4: VR Assets / Metaverse
Day 5: VR / Digital Media
