The Grand Hall is a 1,000-seater venue for both academic and cultural activities. With its remarkable architectural design and dazzling acoustics, the Hall aspires to be a vital “reservoir of knowledge” for academic and cultural activities, serving the region and beyond.

My University Spotlight Encounters (MUSE) is a series of programmes presented by HKU's Cultural Management Office. The team was established in early 2013, with a mission to inspire a life-long passion for the arts through innovative and educational programmes that enrich the imaginative atmosphere on campus and establish HKU as a leading centre of cultural activities.
