Are you ready to turn your studies into real career opportunities?

Join the Jobsdb Grad Hong Kong Career Fair - your chance to connect with some of Hong Kong's most sought-after employers. Meet hiring teams face-to-face from leading local and multinational companies across industries including finance, technology, consulting and more.

What you can gain:

- **Speak directly with hiring teams** - skip the application queue
- **Explore diverse opportunities** - internships, graduate roles and more
- **Understand what employers are looking for** - straight from the source
- **Get ahead of the hiring season** - engage before peak competition
- **Build real connections** that could shape your future career

Whether you're looking for **internships, graduate programmes, or your first full-time role**, this is where your career journey begins. Open to all Hong Kong university students and Hong Kong students studying overseas.
