Dear BA Year 1 Students,

Faculty Orientation Activities 2026-27

Congratulations on achieving your place in Arts – one of the three founding faculties of the University. As a new member of the Faculty, you may already have started planning your studies for the next four years.

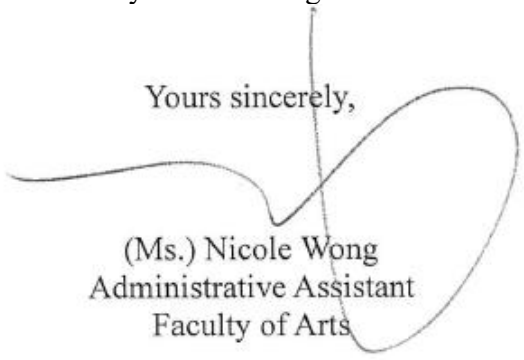

Indeed, Arts offers a liberal and flexible curriculum which consists of 15 majors and 26 minors within a guided and coherent academic framework. There are many options for each and every one of you. Year 1 students can select courses from August 18 to 24, 2026. Please visit the [BA website](#) which contains all of the information you will need before commencing your studies, including guidelines on course selection, arrangements on academic advising, and requirements of the BA curriculum and that of your intending major(s) and minor(s):

The University has prepared the [First Year Experience](#) website which is a quick one-stop information hub where you can find the essential topics for new students to understand more about learning at HKU and the HKU community. CEDARS' [Student Life and Resources](#) website is also useful for all students with information on campus life and student support services.

I am also writing to invite you to join us for the orientation activities as attached in the Appendices. The featured event is an in-person Faculty Induction Talk on August 14, 2026. It aims to provide an overview of your HKU experience and is also a valuable opportunity to chat with our Programme Representatives and Student Academic Advisers there.

I look forward to welcoming you to the Faculty in the coming weeks!

Yours sincerely,

(Ms.) Nicole Wong
Administrative Assistant
Faculty of Arts
