

## User Guide - LinkedIn Learning@HKUArts

### Priority will be given to

- HKUArts undergraduate students who will take a credit-bearing internship course in the upcoming semesters in AY2026–27
- Final-year HKUArts undergraduate students
- Students on a first-come, first-served basis, subject to availability

### How to Get Started:

1. Sign up for a LinkedIn Learning account [HERE](#)
2. Create or update your personal LinkedIn profile
3. The HKUArts Career Development Team will review your eligibility
4. Eligible students will receive an approval email with activation instructions
5. Approved students can enjoy **3 months of sponsored access to LinkedIn Learning**
6. After receiving the auto-generated email from LinkedIn Learning, click **“Activate your Account”**
7. Sign in to LinkedIn Learning using your **HKU account**
8. Follow the steps below to connect your LinkedIn Learning account with your personal LinkedIn profile

### Connect Your LinkedIn Learning Account with Your Personal LinkedIn Profile

Students are required to connect their LinkedIn Learning account with their personal LinkedIn profile.

Connecting your accounts allows you to:

- Display completed courses, certificates and badges on your LinkedIn profile
- Receive personalised course recommendations based on your profile and interests
- Retain your learning history even after leaving the University

If you did not connect your LinkedIn profile during the initial activation process, you may do so later by following the steps below:

1. Sign in to **LinkedIn Learning**
2. Click your profile photo at the top right corner
3. Select **“Settings”** from the dropdown menu
4. Under **“Connect your LinkedIn account to your LinkedIn Learning account provided by your organization”**, click **“Connect my account”**
5. Log in to your personal LinkedIn account when prompted
6. Review the Terms and Privacy Policy, then click **“Accept and continue”** if you agree
